

## **President's Message – February 2014**

**Bernard Jordaan**

We are a proud grass roots, volunteer driven organization that has earned the respect of every level of government and other organizations. We know what it's like to walk in the shoes of seniors, those of us who are at or below the poverty line income and other seniors, facing all kinds of daily hardships in this land of plenty.

The month of May has been designated as the U.S.C.O. Walk-A-Thon Month. It is not too early to plan your events, to help us raise much needed funds.

Have a fun day, compete with other local clubs or Zones. We need the assistance of all our members to make this another successful fundraiser. Let's aim for \$20,000.00. Last year we raised approximately \$15,000.00.

On behalf of your executive, I thank each and every member for your continued support, both physical and financial and we look forward to a successful 2014.

Happy Family Day February 17, to all our members.
