

## President's Message – March 2014

Bernard Jordaan

As mentioned in other articles, all of our executive members are dedicated volunteers. Some have served on our executive for many years, while we are fortunate always to have "new blood" elected to serve our members across the Province.

Most of the the "in depth" work of the executive, is performed by serving on the various committees such as :

By-Laws and Constitution, Resolutions, Membership, Fund Raising, Finance, Convention, Field Reps and Disability.

Some of our executive members serve on more than one of these committees. Regular telephone conferences are convened to administrate these committees.

On behalf of all our members, I extend a big thank you to all of our executive, who give so unselfishly, their time and experience to further our mission, with the assistance of our office staff, to effect the changes needed so that we can continue to enjoy our retirement years.

Please be reminded of our annual Fund Raiser Walk A -Thon in May.

We need and appreciate all your efforts, to assist us with much needed funds to continue our work on behalf of all seniors living in this part of Canada.

I happened to come across this quote, by Helen Keller, on a ship we were recently on.

***"The best and most beautiful things in the world cannot be  
Seen or even touched. They must be felt with the heart"***
