

President's Message – March 2017

**Muriel Milne, Secretary
on behalf of
Bernard Jordaan, President**

Hi to everyone, spring is just around the corner, and daylight saving time is almost here.

I was asked this year to Chair the Field Rep. Committee along with Marie Smith and Jim Laidman. We have some wonderful people representing some of our Zones throughout Ontario. Unfortunately many Zones have no representation. It is very important to keep all Seniors in Ontario aware of the work the USCO is doing.

The Field Reps are the link between the clubs and the USCO. We welcome all clubs to share in the special events they are doing. One way is to submit articles and pictures to *The Voice*. Any club in Ontario that feels they need help please contact the USCO office.

Resolution time is all year, but now is really the time to get your concerns for the Government down on paper, and send into the USCO office. If you are unsure of how to write a resolution, and have a concern, contact the USCO office, and someone on the resolution committee will help you.

A big Thank You to Bev and Maureen at the office for all the great work you do. Also Thanks to President Bernard Jordaan, who works tirelessly for all Seniors.

All the best to all Clubs, and Zones, and remember we are all Volunteers, and Seniors working for Seniors.
