

## President's Message – January 2018

**Bernard Jordaan**

HAPPY NEW YEAR to all, from the Executive Board members, staff and myself. While we are on the threshold of a brand new year, many of our concerns and issues are not so new.

This is a Provincial election year. While the U.S.C.O. is a non-political organization, our members support different political ideologies and political parties. That is our choice, remembering that our vote counts.

This year, you will be inundated with political candidates wanting your vote. All clubs are in possession of our 2017 Brief to the Provincial, Government. Please, share this document with all your members, use this document to ask these candidates their "position" on these very important issues. Tie them down, request a written response, so if they are elected, we can "hold their feet to the fire."

We will have the Brief placed on our website <http://uscont.ca/index.htm> as well, for members to access. [READ THE BRIEF HERE](#)

I once wrote that: THERE IS NOTHING BETTER THAN A CHANGE, but conversely, there is a saying that: THE MORE THINGS CHANGE, THE MORE THEY REMAIN THE SAME.

For more reasons than one, Seniors are going to decide who will be elected in June 2018, to govern this Province.

So much still needs to be done to ensure seniors live their golden years in dignity, comfort and in a stress free environment, with Health Care one of our top priorities.
